

# ATELIER BEATS I

Milestone 4

# What has been done

- Login & Signup part (Annamaria)
- Double-click player (Jelena)
- Upload track finished and vote (Jelena)
- Style and playlists features (Umberto)
- Search functionalities (Viktorija)

# To be fixed

- Merge user and playlists functionalities
- Give to the search the access to every data (look at the same time tracks, artists and albums)
- End the voting part (extra)
- Deleting function
